

EXPERIENCE
.....**Product Designer**

Facebook | August 2018 - April 2021

I worked on the Remote Presence design team at Facebook. My primary focus was on real time video and audio calling experiences on Messenger and Instagram. I concentrated on UI/UX design as well as prototyping and design research.

Product Design Intern

Facebook | May 2017 - August 2017

I worked on the Messenger RTC design team at Facebook. My primary role was to explore immersive and innovative experiences on the video chatting feature on Messenger. I worked on small features that were integrated onto the Messenger platform.
